

# SINGLE-STROKE FONTS

---

The fonts on this page were specifically created for the purpose of producing sharp-face stamps, required for marking steel, hardwood, and other hard impressible materials.

Single-stroke fonts can also be used for stamps other than sharp face stamps and come in handy when many characters are needed for creating a very small mark.

In addition to the following fonts, outlines of various True-Type Fonts can also be used for producing sharp-face stamps.
